

QUEEN REARING WITH CORY

18 APRIL 2020 IBERIA MISSOURI

Cory Stevens of StevensBeeCo A Certified Master Beekeeper and professional Queen Breeder will be instructing a Queen Rearing class to help us all get ready for another productive year.

Hosted at the Iberia
First Assembly of
God Church 2244
MO-17, Iberia, MO
65486

While we may not need to do this on a regular basis we all need a reliable and economical way to replace our queens.

Learn about The Biology of Queen Rearing, Required Equipment, Setting up a Starter / Finisher, Grafting, Queen introduction, and Stock Selection.

Registration for this event is fast and easy at the following site.
